

Ethos and Values

Our mission is:

"We will work together to create a safe and happy environment where everyone can develop the skills and self belief to succeed as motivated learners and citizens."

We aim to:

- promote children's happiness, security and confidence in the school setting
- provide a broad curriculum that supports each child's personal, social, moral, emotional and academic development
- develop enquiring minds and a love of learning which will last a lifetime
- develop in our children the skills which will enable them to become active and responsible citizens, contributing to the local and wider community
- develop children's life skills such as adaptability, communication, resilience and empathy with the diverse nature of society, to enable them to cope with life in secondary school and beyond
- provide opportunities, in school and during extended school hours to give children a wide range of experiences to develop varied talents and interests
- celebrate children's achievements, promote high standards and encourage children to do their best
- work in partnership with parents and the local community in a spirit of openness
